

JOB DESCRIPTION

Job Details

Job Title:	Consultant Child and Adolescent Psychiatrist
Grade:	Consultant
Hours:	42.5 hours
Department:	Child and Adolescent Mental Health Services, Maudsley Health, Abu Dhabi
Location:	Abu Dhabi, but travel may be required across the UAE
Reports to:	Lead Clinician, CAMHS, Maudsley Health
Professionally Accountable to:	Clinical Director, Maudsley Health, Abu Dhabi

The postholder will be employed by MACANI LLC.

Principal Job Purpose: The Maudsley, in conjunction with Macani LLC requires an additional Consultant Child and Adolescent Psychiatrist to provide services in the United Arab Emirates. The post is being created to support the development of services in the Middle East and will be based in Abu Dhabi. The post holder will provide clinical expertise to the team based in Abu Dhabi. They will be expected to deliver effective, highly specialist assessments and treatments in accordance with UK and UAE guidance of professional regulatory bodies in conjunction with other members of the multidisciplinary team. The consultant will be directly involved in assessment and management, particularly of complex cases where there are psychiatric and other psycho-social factors.

Other main responsibilities: Other responsibilities will include to deliver and develop clinical, research and training services/programmes in accordance with clinical governance policies and relevant national and international standards.

This post holder will be expected to work collaboratively and cross cover for other consultant psychiatrists. On occasion, this could include adult mental health services

BACKGROUND

The aim of the service in Abu Dhabi is to deliver high quality assessments, treatment, advice, training and consultation across the range of mental health problems. This will require working collaboratively with multi-disciplinary colleagues, other professionals, families and patients. The service aims to provide a supportive environment using evidence-based approaches and will offer training and development to professionals. Maudsley Health has been set up initially as an outpatient based mental health service although further developments are planned. Some highly specialist services will also be provided by visiting clinicians from the Maudsley Hospital in the UK and in some cases the post holder might screen and hold cases until they have been assessed fully by the visiting clinicians.

The post holder will be expected to take a role in the further development of the service as agreed with the Clinical Director, Lead Clinician and Managing Director, as appropriate.

The post holder will be based in Abu Dhabi and will have access to office and computer facilities. The use of an electronic patient record system is required.

CONTRIBUTION

Time commitment: 42.5 hours per week over five days, to be worked flexibly including one evening and Saturdays (Saturdays on a rota system). 4 days direct clinical contact. 1.0 day supporting activities. Providing psychiatric input to the team;

- Management of complex cases.
- Development and leadership of a specialist service in conjunction with Clinical Director and management.
- Clinical leadership.
- Assessment of new referrals, delivering therapy and/or working/co-working with multi-disciplinary colleagues delivering interventions.
- Medication reviews.
- Care plan and treatment formulation, guidance on evidence-based treatment and effectiveness.
- Liaison and collaborative working with other services and disciplines.
- Mental Health Act implementation (the Mental Health Act is under discussion in the UAE).
- Multi-disciplinary, multi-agency and partnership working.
- Supervision and training of other staff and trainees.
- Clinical audit.
- Research and training.
- On-call responsibilities are not expected at this stage although this could be expected in the future, particularly if inpatient services are developed.

TERMS AND CONDITIONS FOR THIS CONSULTANT APPOINTMENT

(All below are subject to change)

- Consultants to have 22 days annual leave per annum, plus government declared national holidays.
- The post-holder is required to participate in the CPD program and through this program to participate in a peer review group developing a Personal Development Plan.
- All consultants are expected to participate in Clinical Audit and the extended program of Clinical Governance through their professional group and also their clinical team(s) and broader service.
- Consultants have access to 5 study leave days per annum (whole time) consistent with Personal Development Plans.
- This Personal Development Plan will form part of the annual appraisal process which all consultants are expected to undertake with the Clinical Director or agreed nominee. The post-holder will be accountable to the Clinical Director, Maudsley Health, Abu Dhabi.
- The post-holder will be an employee of Macani, a UAE entity.
- The post-holder will be expected to live within 60 minutes of their workplace unless agreed otherwise by prior negotiation.
- Appointment will be subject to satisfactory Occupational Health and Enhanced DBS/CID clearances and visa requirements, including additional health testing.
- It is a condition of your employment that you are and remain a fully registered medical practitioner and are included on the Specialist Register held by the General Medical Council (GMC) or equivalent, and the Health Authority Abu Dhabi, and continue to hold a license to practice. It is the individual's responsibility to ensure these registrations are in place.

COMMUNICATIONS & WORKING RELATIONSHIPS

The CAMHS team comprises of a mixture of clinicians and support staff. Each Team is expected to lead a team of an additional 6 clinical team members. Recruitment is in process for this but the current establishment is as follows;

3.00	Consultant Psychiatrist (one of which is this post)

1.00	Nurse
4	Administrative/support staff

The team will work throughout the week from Saturday to Thursday. Regular team meetings will be held, along with regular training and development sessions.

THE SOUTH LONDON AND MAUDSLEY NHS FOUNDATION TRUST

The South London and Maudsley NHS Foundation Trust is part of King's Health Partners Academic Health Sciences Centre (AHSC), which includes seven hospitals and over 150 community based services. It is responsible for seeing 2 million patients each year, has 25,000 employees and 19,500 students, and a £2 billion annual turnover. It brings together the best of basic and translational research, clinical excellence and world-class teaching to deliver ground breaking advances in physical and mental healthcare. See www.kingshealthpartners.org

The South London and Maudsley NHS Foundation Trust is committed to innovation, effective interventions and improved service user outcomes. The Trust has a broad range of staff in all disciplines with the widest range of skills and interests that provides many opportunities for new consultants to thrive and develop. It provides mental health and substance misuse services to the people of Lambeth, Southwark, Lewisham and Croydon, as well as substance misuse services for people in Bexley, Greenwich and Bromley. We also provide specialist services to people from across the UK. In addition the CAMHS CAG provides services internationally, including in the Middle East.

The Trust has close links in education and research with the Institute of Psychiatry and Guy's, King's and St Thomas' School of Medicine, both of which are part of King's College London. This close collaboration involves working to ensure that developments and research feed directly into clinical practice. It's academic links with King's College, London, which also include the Nightingale Institute and South Bank University, enables us to ensure that our health care staff receive high quality clinical training at both pre-qualification (or registration) stage and in specialist skills (post qualification).

The Trust is committed to managing and developing a range of mental health services, working closely with users and carers; Specialist Commissioning Groups; our partner local authorities; Clinical Commissioning Groups and NHS Trusts.

Services are primarily focused on people with severe and enduring mental illness. In addition, it promotes good mental health, early intervention to prevent more serious problems and provides support to primary care in dealing with people with less severe problems.

The Trust has a strong community focus and our services are provided in a wide range of settings including people's own homes, GP practices, day centres, residential and nursing homes, prisons and hospitals.

The Trust's core value states that 'everything we do is to improve the experience of people using our services and to promote mental health and wellbeing for all'.

The Executive Directors of the Trust include **Dr Matthew Patrick, Chief Executive Officer**; Dr Michael Holland, Medical Director; **Gus Heafield**, Chief Finance Officer; Beverley Murphy, Interim Chief Operating Officer, Vanessa Smith, Interim Director of Nursing, Altaf Kara, Executive Director of Strategy and Commercial and the CAG Directors.

INSTITUTE OF PSYCHIATRY, PSYCHOLOGY AND NEUROSCIENCES

The Institute of Psychiatry is a postgraduate Medical School of the King's College London. It carries out an extensive programme of teaching and research in basic, behavioural and social sciences. The three complementary roles of the Institute of Psychiatry are: to offer advanced university training for psychiatrists, psychologists, neurologists and other scientific and paramedical workers; to pioneer research into new and improved ways of understanding and treating mental illness and brain disease; and to assist with the provision of high standards of treatment and care to the patients of South London and Maudsley Hospital Trust and other hospitals with which the Institute is associated.

GKT Medical and Dental Schools are both undergraduate and postgraduate Schools of King's College London. The academic departments of both institutions have recently merged to form a single department based within the Institute of Psychiatry structure, but combining the responsibilities held by each department. The combined University Department of Child Psychiatry, along with the Social, Genetic and Developmental Psychiatry Research Centre, based at the Institute of Psychiatry, constitutes the country's major grouping of researchers in the field of developmental psychopathology. There is extensive collaboration with other research groups both within the Institute and elsewhere in the UK and abroad. There is an active programme of research seminars and discussions.

SLAM & THE CHILD AND ADOLESCENT CLINICAL ACADEMIC GROUP (CAG)

South London and Maudsley NHS Trust has the most comprehensive child and adolescent mental health service in the country. The Child and Adolescent Mental Health Service Clinical Academic Group operates across the Trust and has a budget of circa £40 million.

The CAG provides local child and adolescent mental health services in the London Boroughs of Lambeth, Southwark, Lewisham and Croydon as well as a National and Specialist outpatient services and six inpatient wards, including inpatient and adolescent intensive community liaison services in Kent.

The CAMHS CAG provides mental health services for children and young people with emotional, behavioural, psychiatric and neurodevelopmental problems. Our services cover a range of inpatient, outpatient and community based resources delivering care to local and national patients. We aim to utilise the skills, experience and commitment of our clinicians to provide first class, effective, safe and innovative care in community borough based and national and specialist inpatient, outpatient and day patient multidisciplinary teams.

KEY RESPONSIBILITIES:

- The post holder will play a lead role in providing clinical expertise and support to the team.
- The post holder is expected to provide assessment, treatment and consultation for children and young people under 18 and over who present with mental health disorders.
- Participation in training of junior doctors (when in place) and other multidisciplinary staff within the teams and contribution to the identification and provision of training needs of the multidisciplinary team.
- Participation in education and training locally and nationally. Participate in research as a principal, partner or facilitator as appropriate to the post holders experience and interests.
- Adherence expected to agreed job plan and appraisal procedures.
- The post holder will be expected to support the development of the services in Abu Dhabi and potentially across the greater Middle East area. This will involve working closely with the Managing Director, Clinical Director and with the Health Authority Abu Dhabi, Education and other providers in the Middle East.
- The post holder will be expected to develop strong working relationships with acute services.
- A component of this role may be to manage cases collaboratively with visiting clinicians from the UK.

OTHER ELEMENTS OF THE ROLE ARE TO:

- Ensure that electronic patients clinical records relating to post holders work are well maintained and meet standards for documentation and communication with referrers and users are met.
- Promote good links with partner agencies including services in Abu Dhabi.
- Contribute to the development of policies and procedures to support good practice and ensure that appropriate high-quality clinical services are delivered.
- Provide a service that promotes diversity; meets the needs of service users from diverse ethnic, cultural and religious traditions, accessible and sensitive to needs relating to disability, gender and sexual orientation.
- Collect activity information as requested to meet the demands of performance management and service planning.
- Help maintain a clinical database and keep all other records and statistics as necessary and required.
- Participate in meetings and other management meetings as appropriate to the post holders' responsibilities.
- Apply quality standards to all work undertaken in line with Clinical Governance policies.
- Act with integrity and honesty at all times.
- Assist in or lead research and evaluation where required.

- Take part in and lead audit projects when appropriate.
- Encourage junior staff and support their efforts in undertaking audit projects.
- Adherence to the agreed job plan and appraisal procedures.
- Maintain GMC registration, (or equivalent) and Licence to Practice with the Health Authority Abu Dhabi.
- Maintain S12 and AC status.
- Maintain compliance with Maudsley Health, Abu Dhabi, Mandatory Training Register requirements.
